Laura,

Per telcon with both Harbor the supplier at San Juan and I also called agents ISS in San Juan, Customs/Coast guard will not let a ship enter the port until 96 hours once they ships give notification to come in.

Kind Regards,

Hi,

I just hung up with San Juan a few minutes ago still waiting on him to see if they will have the avails.

I can't appoint agents but I could give you recommendations.

Curoil wouldn't give direct credit as last business was 2011. I recall going back and forth with him on ISE Princess in Sept. I'll approach him again now.

Kind Regards,

Dear Zach,

Please press Sun Juan for a quote, we need to instruct the vessel which port will deviate.

Kindly let us know if you can appoint agents for both ports, as we haven't decided yet supply port.

Lastly as far as I remember we had directly credit with Curoil, so we would like to avoid traders.

Looking forward to your prompt reply.

Kind regards,

Laura Chatzinikolaou
